Summary:

The CYPRESS CPRO-SE2DD has met satisfactory performance requirements under the test guidelines of the DTS 2.0 + Digital Out ™ Certification Process for Consumer Products. As a result, DTS is proud to grant APPROVAL FOR SALE to the CYPRESS CPRO-SE2DD for all DTS CD, DVD and BD applications.

While DTS believes that the CYPRESS CPRO-SE2DD satisfactorily performs the required DTS function, because of the complexities of your system and its operation, DTS cannot and does not warrant that all operation of your system, including its DTS function, will be uninterrupted and error-free.
